This book is presented as a portrayal of our school life here at Fairview High School. Like all books of this type it reveals our ambitions, efforts, accomplishments, and perhaps a few disillusionments. We have tried to provide adequate representation for all phases of school life so that this Warrior will meet with the approval of the Fairview High School students, faculty, and community.

FACULTY

Administration

MR. DARRELL E. JONES Superintendent of Schools Central Local School District

MR. NORMAND JONES Superintendent of Schools Defiance County

The Administration of Fairview has had a fairly routine year with no bond issues nor operating levies to add to the problems.

We did concentrate some extra effort toward the starting of football and the construction of the athletic field. We do feel we have a good start, but we have a long way to go.

The fall of 1968 will see the beginning of many

new state standards which we must meet. These standards make mandatory a great number of additional bookkeeping chores as well as many more staff and sectional meetings. Our school does meet almost all of the new requirements with the exception of these additional meeting requirements to formulate philosophy and objectives. We expect to begin work on these new projects this summer.

MR. LEIGHTON FRITZ Principal MRS. FRANK (ALICE) SIMS Secretary

MRS. JAMES (GLORIA) MILLER General Math Plane Geometry Business Math

MR. JAMES MILLER Algebra II Senior Math Student Council

OTHER MATH TEACHERS:

MRS. DALE (MIGNON) SANDER Algebra I

Mathematics is a useful and necessary tool in many areas. The carpenter, the cook, the seamstress, the farmer, the one who handles his own or his family's budget, as well as the engineer and the researcher, need a knowledge of numbers and how to manipulate them. As our lives become more dependent upon scientific advancements, mathematics seems to be needed more than ever.

Many jobs are open only to persons who can manipulate figures and more jobs open to those with an understanding of mathematics principles. We have many business machines, which can do rapidly ordinary computations and computers to do even more complicated problems. While these machines help, there is still need for human mathematicians to feed

these machines the correct data in the proper sequence. Programming a problem for a machine requires a thorough understanding of how to work the problem and often how to set it up and read it from a machine which has only 2 symbols—on and off; hence, the stress in modern math on a number system with a base 2.

An understanding of mathematics may sometime mean the difference between getting a job or being rejected, getting into college or being rejected. We hope to keep our program at Fairview adjusted so that the greatest number of students can obtain the understanding of mathematics they need to do the job they most desire.

MR. ROBERT DEITRICK Biology Driver Education Basketball Coach Asst. Football Coach

Other Science Teachers:

MR. LEIGHTON FRITZ Biology

MR. JAMES MILLER Chemistry Physics

The scientist of today is one who must learn to control numerous discoveries and put these to good use in a peaceful world. The citizen of today is one who therefore requires a basic knowledge of scientific facts. The student at Fairview has a variety of opportunities to discover these facts.

General Science is a course dealing with basic scientific principles. Biology stresses the structures

and functions of plant and animal life. Physiology deals with the more complex study of the human organism. Chemistry teaches the application of more advanced chemical principles to everyday life. Physics is a complex course dealing with the subjects of matter, motion, mechanics, heat, light, electricity, and sound.

Preparing for life and its responsibilities is an aim of modern schools. Thus at Fairview the Language Department tries to incorporate in its course of study modern ideas, thoughts, and techniques along with formal and tested patterns of teaching.

The aim of the French and Spanish courses has been to acquaint the eye in reading, the ear in listening and understanding, and the mouth in forming these strange, new sounds of foreign languages. The laboratory and emphasis on oral work have greatly improved performance levels.

With changes descending so rapidly on today's business world and our personal lives, it is necessary to keep an open mind on new objectives, new topics, new methods, new materials, and new techniques. The whole community, as well as the whole society, is involved.

To meet both personal needs and vocational training, particular emphasis is placed on the de-

velopment of good study and work habits; the importance of good communications; the critical ability of self-evaluation and self-improvement, the advantages of organizing and planning short-and-long-range projects; the importance of ethical behavior, both personally and professionally; and the value of adaptability.

The social sciences deal with the total range of human activities—social, political, economic, religious. Since this is true, the relationship of man to man is of the greatest importance in the field of social studies. Man is examined and evaluated throughout history from the primitive past to the present day.

Of special importance to the student in social studies is the wide-spread unrest prevalent in our society today. The fundamental aim in this field is to become aware of the present day social ills in preparing our youth to realize their responsibilities and obligations in making a better society.

Mr. Edwards lectures about American History as everyone listens.

Industrial Arts

MR. GEORGE HAASE Vocational Agriculture II and III F.F.A.

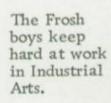

MR. LYLE SIGG Vocational Agriculture I and IV F.F.A.

MR. DONALD KRETZER Mechanical Drawing Industrial Arts I and II

Industrial Arts and Vo. Ag. programs are designed to provide the student with the practical aspects of learning along with theory. After the student studies theory, he then puts this into practice in the shop.

The Industrial Arts program is designed along the lines of industrial practices, including such areas as hand-and machine-tool woodworking, sheetmetal, photography, electricity, electronics, and mechanical drawing. Vo. Ag. is designed primarily for agriculture, including the areas of crops, livestock, farm machinery operation and repair, and general farm management.

Home Economics

MRS. CLAUDE (FLORENCE) HUSTED Home Economics I, II, III, and IV F.H.A.

MRS. DUANE (IRENE) STRUBLE Home Economics I, II, III, and IV F.H.A.

The homemaking program is patterned over the program outlined by the Ohio State Department of Vocational Education, which includes classes in the areas of: Personal, Family and Community Relations; Clothing, Textiles and Related Art; Housing, Home Furnishings and Equipment; Home Mangement,

Family Economics and Consumer Buying; Child Development; Foods, Nutrition and Health.

Each student receives instruction in the six areas each year. The instruction is geared to meet the needs and abilities of the particular class.

Music Department

MRS. JUNE SCHULTE Vocal Music F. T. A.

MR. W. JOHN ASCHEMEIER Instrumental Music

The primary goal of choral music education for Fairview High School is enjoyment, understanding, and satisfaction. The ultimate goal is to provide rich experiences for self-expression, emotional release, spiritual satisfaction and intellectual stimulus, and the ability to use music creatively as a vital force.

The purpose of the Fairview Apache Band is threefold: (1) Education in the area of musical knowledge and talent, (2) Competition with individuals and groups by attending parades and contests, and (3) Performance for others at assemblies, concerts, parades, fairs, the soon-to-come football shows, and public events where the students are given the opportunity to display their talents and progress in music education. We are especially proud of our band members for accepting these responsibilities and doing so much to better themselves and their school.

That phase of education concerned with the teaching of skills and attitudes in play activities is physical education. The program provides each student with an opportunity to develop skill and understanding in a variety of sports activities that will serve him throughout life. In a broad view of education, physical education has unique opportunities in developing desirable

character and social traits as well as defined responsibilities toward physical development of the individual. Objectives of increased strength and endurance, better motor skills, and improved health practices are not only ends in themselves but are means to a better-adjusted society.

In Memoriam

On November 18, 1967, death claimed Paul Ross, a member of the Central Local Board of Education. Mr. Ross was dedicated to the cause of good schools for all the children of this community. He gave unselfishly of his time and talents to further the cause of public education.

The tenure of Mr. Ross on the Central Local Board Board of Education could be best characterized by humility, sincerity, and fairness. His contributions to our school system will long be remembered by those of us who had the opportunity to work with him.

Education has lost a devoted and dedicated friend.

Student Council

SEATED: C. Hall, S. Guilford, L. Maugel, M. Bok. STANDING: B. Peters, D. English, M. Gonzalez, M. Wallace, M. Singer, K. Champion, P. Kieffer.

The Student Council participated in many activities and programs during the 1967-68 term. They served refreshments at a bonfire and record hop on October 26 honoring the start of the Apaches' basketball season. Reverend Herman Meyer, of the Zion Lutheran Church of Edgerton, spoke at the Thanksgiving assembly November 22. The theme

chosen for the Christmas Dance was "Twas the Night Before Christmas." The council decorated according to this theme and served refreshments at the dance December 30. Father Armstrong, pastor of the Saint Stephens Catholic Church at Delaware Bend, spoke at the Easter assembly.

The Fairview Chapter of National Honor Society consisted of ten seniors, eight juniors, and six sophomores. The faculty selected the member not only according to their scholarship, but also on the basis of leadership, character, and service. The new members were inducted into the organization at a special assembly in October.

Activities for the year were hampered slightly by weather conditions. Flooding caused cancellation of the Christmas assembly, and a heavy spring snow forced postponement of the Coronation from Saturday to Monday. Other activities for the year included ushering for concerts, a Christmas project for the Good Samaritan school, working in the office, and an exchange meeting with Tinora.

The officers for the past year were: President, Brad Motter; Vice-President, Larry Maugel; Secretary, Marlene Yoder; and Treasurer, Ann Wendling, Miss Mary Walz was the adviser for the group.

This year the FFA started with a roller skating party and a candy sale which were very successful. With the money we received from the candy sale, we donated a water cooler to the school and bought several new tools for our shop.

In November we toured the International Harvester

Plant in Fort Wayne.

During the winter we participated in the parliamentary procedure contest at which we kept up our perfect string of gold medals. We also sponsored a successful pest hunt.

In the spring we held our annual Parent and Son Banquet, which was a success again this year.

Due to the hard work of our officers and committee members, the year turned out very successfully.

The Fairview Future Homemakers began the year with the formal initiation of 28 new members, making a total of 71 members, an all-time high. Mothers were invited to witness the initiation. Activities throughout the year included working the concession stand at the Junior High Tournament and sponsoring a record hop to raise funds. An old fashioned ice cream party for parents and an egg hunt for younger brothers and sisters were outstanding activities which carried out the national project, "Good Family Relations through Communications."

Special programs included a demonstration on how to pack a suitcase by a Shell Oil Company representative and a hobby show by chapter members which carried out the national project "Leisure time: Constructive Time."

Chapter members packed used clothing for the needy, at home and abroad, sponsored a party for the children's retarded school, raised money for mental health research, and took the necessary steps to sponsor a child in Hong Kong.

The Chapter was represented by 15 members, 2 Chapter mothers, and 2 advisors at the state meeting in Columbus. State Homemaker Degrees were awarded to Betsy Cooper and Mardell Nester. Congratulations!

In October Jack Widner, our O.E.A.-F.T.A. consultant, discussed with the local F.T.A. chapter some new methods of teaching, new equipment used in modern high schools, and programs in the experimental stage. He also spoke of duties, hardships and rewards of the teaching profession. Some of the officers of F.T.A. attended a leadership conference in Delaware, Ohio, in October. These are some of the problems which were discussed at this meeting: how to get more boys in F.T.A., money-making projects, and giving awards to most valuable mem-

bers.

Making tray favors for the Good Samaritan School and Defiance Hospital was the service project completed in December.

Mrs. Duane Ziegler was a guest speaker who told us about Haiti and also displayed some art work of the island.

A number of junior and senior members went to Bowling Green for Career Day in the spring. The entire membership visited Findlay College in May.

The Language Club began the year with a Roman slave auction. And who were the lucky slaves, but the new members. Each slave, bedecked in a toga, was described by the auctioneer and had to sing a song in his "native" tongue--French, Spanish, or Latin. Here was an instance where bondage turned out to be fun.

That spirit dominated the year as we moved through interesting meetings filled with variety: from teams searching for the most imaginative tale to teams portraying historical events, from a Brazilian girl's talk on her country to one of our students firsthand report on Germany.

Even our money-making projects reflected this feeling, as we concluded the year with a Powder Puff Football Game! The girls donned helmets and uniforms, while the boys, as cheerleaders, referees, and band members, found the whole spectacle hard to believe. That was our year; we're hoping the next will prove as much fun.

They're in our power now!

That's FLOWER POWER?

Pep Club

Our Pep Club this year consisted of 121 members. As in years past, we ran the coat check and sold programs at the ball games in order to raise money to buy our awards. Awards were presented to the top 40 members with the most points. Kay Reagle was on top with 51 points.

Apache Varsity Club

The purpose of the Apache Varsity Club is to promote good sportsmanship and good citizenship within the school, as well as interscholastically, and to promote interest in all varsity competition!

This year marks the first year for the Varsity Club. The officers for the year were: Larry Maugel, President; Vic Degryse, Vice-President; and Dick Ross, Secretary-Treasurer.

Since the publication of the Warrior is one of the jobs of the Office Practice class, every member of the class, along with some assistance from a few non-class members, helped to sell ads as well as draw up and type layout sheets. Each year the editors find it necessary to enlarge the yearbook due to increased enrollment and additional activities. Peggy

and Linda have not only enlarged the 1968 Warrior, but they have also tried to add some new features to make it a true memory book of Fairview High School for the 1967-1968 school year.

The generous support of our many advertisers enables us to publish the Warrior more completely and more attractively.

War Whoop Staff

SEATED: A. Sudholtz, A. Thomas, D. Meyer, M. Pollard, H. Shininger, L. Elliott, L. Kuhn, G. Meyer, J. Chafin, C. Daugherty. STANDING: Mrs. Chaney, T. Keezer, C. Elston, M. Reed, M. Rodriguez, L. The War Whoop Staff, under the direction of Mrs. Chaney, had a very busy year. We have tried to publish a paper of which our students could be proud. We hope that the students have enjoyed reading the news about themselves and their friends and have taken the jokes as they were intended—in fun.

Much work goes into the War Whoop each month.

Every staff member has a special duty. Editor Gloria Meyer and Assistant Editor Carol Tomlinson have tried to add variety to each paper. Adding these ideas to those of the other staff members, we produced what we thought was a well-rounded paper.

So we turn over our duties to next year's staff, hoping they will produce an even better War Whoop.

Dramatics

The Dramatics Class performed two plays this year; one in the fall and one in the spring. The fall play was a three-act comedy called "Ask Any Girl," featuring Martha Singer, Ed Kammeyer, and John Morrison, supported by the rest of the class.

The spring play added quite a change of scenery as "Hip Hippie Hooray" was presented. Martha Baerlin, Ed Kammeyer, John Morrison, Karen Schulte, and Tom Schlosser were featured, supported by the rest of the class and some extras.

Members of the Dramatics class were the following:

Once again the FAIRVIEW APACHE BAND has held to its tradition of doing the best it can. During the marching season for the past year, it has returned home with honors from several parades and competitions, including a special invitation to perform at Cedar Point. Not only has it grown in quality but also in size. The band numbered an impressive 74 musicians. To round out their education, the band has presented exchange concerts with the Tinora High School Band, competed in the District One Music Contests in Bowling Green and Napoleon, marched in 18 parades, and presented 2 outstanding concerts. The SPRING

CONCERT '68 was the best to ever ring through the halls of our school, and we are certainly proud of the fine work and spirit of this group. Kathy Kozumplik was presented the coveted Sousa Award for her achievement in band over the years.

The PEP BAND was improved this year with the addition of a few more members. The spirit shown by this group of peppy musicians added much to the enthusiasm of our cheering crowds at the pep rallies and basketball games.

The STARDUSTERS stage band was called upon several times during the school year to perform at post-game dances, banquets, and concerts. The group devoted itself to the current pop music and really enjoyed swinging.

The Fairview High

The chorus had a rewarding year with its 123 members. Again the first public performance was in November with the chorus giving its finest concert. A new experience for Fairview Chorus was the exchange concert with Tinora High School. As usual, January and February found the soloists and ensembles engaged in preparing for State competition at Bowling Green. This year the competition was tougher, but the chorus came back with the following 8 State medals: in Class A, Boys Ensemble, II; Mixed Ensemble, III; Senior Girls Ensemble, III; in Class B, Junior Girls Ensemble, III; Sophomore Girls Ensemble, II; Freshman Girls Ensemble, III; Sophomore Girls Ensemble, II; Annita Vogelsong II.

March was a busy month with the record hop and preparation for the spring concert, "Westward Ho."

Special recognition goes to the boys ensemble this year. They had ten special engagements to sing for after contest and received many compliments. The chorus is proud of these outstanding members, David Wild, Maury Sims, Tom Shininger, Robert Wilson, Jerry Bergman, Marvin Bergman, Larry Taylor, John Morrison.

The Senior members of the chorus sang for commencement. The year came to a close with final tributes to the seniors and a wish for a good summer to all.

Willie, do you still like our high school dances?

The annual Christmas dance is planned and sponsored by the Student Council of Fairview High School. Following several after-school planning sessions, final preparations started to take shape on December 28 for the dance that was to take place on the 29th. Several people had done a lot of preparatory work prior to the final day; and when the time came, it was merely a matter of putting it together. The members did the job quickly and efficiently, for which the group as a whole deserves a lot of credit. We were also grateful for the help contributed by members outside the Student Council. The high school dance band from Butler, Indiana, made the evening a pleasure. The Student Council wishes to thank the fine turn out by the student body and is looking forward to next year.

Dancers enjoy themselves as the band plays on.

competition was held in the afternoon between the different squads of cheerleaders. Our cheerleaders came home with one first-place ribbon and three second-place ribbons.

Varsity Basketball

The Fairview Apaches completed their second winning season in a row with a record of 13 wins and 9 losses. The Apaches started the season slowly, losing 3 of the first 5 games after which they began to improve steadily, winning the next four in a row.

The Apaches finished in a tie for second place in the Green Meadows conference with a 4--2 record.

Fairview probably possessed the strongest scoring and rebounding combination in the area. The dynamic duo of Mike Mosier and Dick Ross burned the nets for a total of 835 points and grabbed a total of 775 rebounds.

Statistically, three Apaches averaged in double figures: Dick Ross 22 points, Mike Mosier 17 points, and Ron Renollet 11.5 points per game.

Dick Ross averaged 19 rebounds per game and Mike Mosier 17 rebounds per game. Ron Renollet led the team in assists with 144. Dick Ross and Mike Mosier had excellent field goal percentages with 58% and 49% respectively. Gary Mavis led the team in free throw percentage with a very fine 82% followed by Dave Wild's 78%. As a team the Apaches scored on 44% of their field goals, 65% of

their free throws, averaged 71 points per game, 52 rebounds per game, 14 turnovers and 17 assists per game.

The season saw the individual single game scoring mark broken twice. Dick Ross was the first to break the old record of 31 against Holgate with 36 points. Ron Renollet followed the next week with a record performance of 42 points and 17 assists against Edgerton. The 100 points against Edgerton was the first time in the history of the school that an Apache team reached the century mark. Dick Ross's 22 free throws scored in the Holgate game is also a school record.

I would like to extend my congratulations to the players for a successful season. It was truly a rewarding experience and pleasure to have had the opportunity to work with such an outstanding group of young athletes.

Reserve Basketball

The reserve team started the season on the right foot by winning seven of their first eight games. They cooled off after this and were 6--6 the rest of the season. This gave them a respectable 13--7 overall record. They lost the seven games by a total of 45 points and lost five of these seven by a total of 20 points. All eleven members of the team scored in five games during the season--three of them in succession. This is just one example of the fine team effort which was displayed throughout the season.

The lively ones!!

ROW 1: P. Stuckey, B. Suffel, S. Sims, K. Sailer, M. Bashor, G. Brenner. ROW 2: D. Connelly, D. Baker, D. Thomas, B. Mosier, M. Reagle, D. Doeden, S. Roberts, W. Fritz (Coach).

The Freshmen put together one of the finest seasons in the history of the school. A 13--3 record, a share of the league championship, plus the Green Meadows tourney trophy indicate the extent of the accomplishment. A strong pressing defense plus the ability to score a great many points in clusters were the secrets to their success. Bruce Mosier led the offense, rebounded very well, and pointed up the zone press. Hard-driving Steve Roberts was the spark that kept the team moving. He was a fine rebounder and together with Dave Doeden gave the young Apaches an explosive offense. The two guards Jake Sailer and Greg Brenner improved slowly game by game. By tourney time Sailer was leading the team well and passing beautifully. Whenever Roberts got into foul trouble (nearly every game), Mike Bashor filled the gap.

Schedule and scores were as follows:

*Green Meadows League Tournament

FAIRVIEW 83 HILLTOP 68

Fairview Apaches opened their 1967-68 season with a 15-point victory over the Cadets. The taller Apaches controlled the boards and shot a cool 54% from the field. D. Ross led all scorers with 23 points followed by R. Renollet 18 points, M. Mosier 16 points, R. Mack 12 points, and G. Mavis 9 points.

FAIRVIEW 68 EDGERTON 73

A strong performance by the Bulldogs' Krill (28 points) spelled defeat for the Apaches. Apaches were in foul trouble early and were unable to cool the Bulldogs down. D. Ross and M. Mosier were the only Apaches to reach double figures with 24 and 14 points respectively.

FAIRVIEW 68 AYERSVILLE 60

A spirited Apache team traveled to Ayersville in conquest of their first conference win. The talented duo of M. Mosier and D. Ross was more than the Pilots could handle on the boards. It was a great team effort. M. Mosier led the scoring with 21 points, D. Ross 20 points, and G. Mavis 8 points.

FAIRVIEW 72 WAUSEON 84

The red hot Wauseon Indians dealt the Apaches their second defeat. Both teams hit on 29 field goals, but Wauseon hit 26 of 31 free throws to win. D. Ross tallied 30 points, M. Mosier 20, and R. Renollet 12.

FAIRVIEW 64 STRYKER 65

A nip and tuck battle right down to the final second of play. Free throws made the difference again as both teams had the same number of field goals. Top scores for FV were D. Ross 25 points, M. Mosier 18 points, B. Brenner 11 points.

FAIRVIEW 91 PAULDING 60

Fairview evened their season record at 3 and 3 as all 12 players scored. The Panthers were unable to cope with the rebounding and scoring of D. Ross and M. Mosier. They scored 25 and 23 points and had 20 and 22 rebounds respectively.

FAIRVIEW 57 BLUE CREEK 47

A 19 to 5 edge on free throws provided the margin of victory in their third conference win. Leading the Apaches was D. Ross scoring 18 of his 25 points the first half. Also scoring the double figures were M. Mosier 13 points and G. Mavis 10 points.

FAIRVIEW 59 ANTWERP 53

A 20-point second quarter gave the Apaches a 3-point lead at half time to wipe a first quarter deficit. Strong rebounding and sound defense kept the Archers off balance to notch the victory. Three players scored in double figures: M. Mosier 13 points, D. Ross 12 points, and D. Wild 10 points.

FAIRVIEW 72 TINORA 65

Led by a fine 26-point performance by G. Mavis, the Apaches were able to starve off a second half effort by the Rams. R. Mack, filling in for injured D. Ross, turned in a very capable job pulling down 10 rebounds.

FAIRVIEW 61 ARCHBOLD 93

The Blue Streaks' speed and shooting were devastating for the Apaches who could not seem to get their offense together. D. Wild played an outstanding game scoring 23 points and 10 rebounds. M. Mosier scored 18 points.

FAIRVIEW 75 DEFIANCE 71

Balanced scoring and rebounding brought another hard fought victory to the Apache camp. M. Mosier and D. Ross swept the boards very convincingly with 30 rebounds apiece. An excellent night from the charity line, 33 or 44, made the difference. D. Ross scored 31 points, 21 from the free throw line. M. Mosier, R. Renollet, and D. Wild scored 14, 13, and 10 respectively.

FAIRVIEW 78 OAKWOOD 80

The Apaches suffered a heartbreaking defeat at the hands of the Bobcats in overtime. This was their first conference defeat. Four players scored in double figures: D. Ross 24, M. Mosier 19, R. Renollet 16, and D. Wild 12.

FAIRVIEW 56 NAPOLEON 75

M. Mosier was the only bright spot against the fine shooting and balanced scoring of Napoleon. Mike split the nets for 9 field goals and 4 free throws, but received little support from teammates.

FAIRVIEW 71 BRYAN 55

A 40 to 20 Apache scoring advantage in the middle quarters gave the Apaches another victory. The Apaches tall duo of D. Ross and M. Mosier led the rebounding and scoring once again. They grabbed 43 rebounds and scored 49 points.

FAIRVIEW 77 DEFIANCE 72

Fairview scored 10 points in the overtime period to beat a determined Defiance team forthe second time. R. Renollet scored 6 of his 20 points in the extra period, D. Ross was big chief with 21 points, 33 rebounds; M. Mosier tallied 18 points, 20 rebounds; and D. Wild, 12 points and 15 rebounds.

FAIRVIEW 66 STRYKER 69

A 20-point second half effort by Ron Renollet wasn't quite enough as the Apaches fell again to the Panthers in a thriller. R. Renollet paced the Apaches with 25 points, D. Ross with 19, and M. Mosier with 12.

FAIRVIEW 73 WAUSEON 69

A seesaw battle saw the Apaches gain revenge in an overtime victory. D. Wild scored 6 of his 10 points in the overtime period to scalp the Indians. D. Ross and M. Mosier led the way on the boards and scoring. Dick had 26 points and 19 rebounds, Mike had 16 points and 17 rebounds.

FAIRVIEW 54 HICKSVILLE 63

Fairview lost their second conference game of the season to the Aces. The outside shooting of the Aces' Metz provided the margin of victory as the Apaches were unable to put their offense together. D. Ross hit the net for 19 points, M. Mosier 13 points, and B. Brenner 8 points.

FAIRVIEW 79 HOLGATE 72

Dick Ross broke the Fairview single-game scoring mark with 36 points. Twenty-two of those points came from the foul line which is probably a record also. Dick also made 21 free throws earlier in the year in one game. Mike Mosier chipped in with 21 points and 20 rebounds. Fairview made 41 of 55 free throws to gain the victory.

FAIRVIEW 100 EDGERTON 66

A tremendous performance by Ron Renollet broke the single-game scoring mark for the second week in a row with 42 points, as the Apaches reached the century mark for the first time in the school's history. R. Renollet's 17 assists were also a school record. D. Ross and M. Mosier scored in double figures with 20 and 15 points.

SECTIONAL TOURNAMENT

FAIRVIEW 70 HICKSVILLE 57

Ron Renollet's 11 points in the first quarter and Mike Mosier's 11 points in the second quarter built a 44 to 29 half time lead to avenge an earlier defeat by the Aces. M. Mosier led the Apaches with 20 points followed by R. Renollet with 19 and D. Ross with 17 and 22 rebounds.

FAIRVIEW 68 OAKWOOD 79

The Apaches were outclassed as the Bobcats ran up a 19-point half time lead. The Apaches refused to die, however, as they tried valiantly to overcome the deficit. D. Ross found the nets for 26 points, G. Mavis for 11 points, and M. Mosier for 10 points. This loss brought to an end the basketball careers of 8 seniors.

ROW 1: B. Beverly, B. Cline, S. Stuckey, L. Taylor, J. Morrison, D. Guilford, D. Bashor. ROW 2: H. Miller (Coach), L. Morrison, M. Sims, K. Cline, M. Mosier, R. Renollet, B. Brenner, T. Schlosser, D. Caryer. ABSENT: D. Ross, T. Roberts.

Baseball

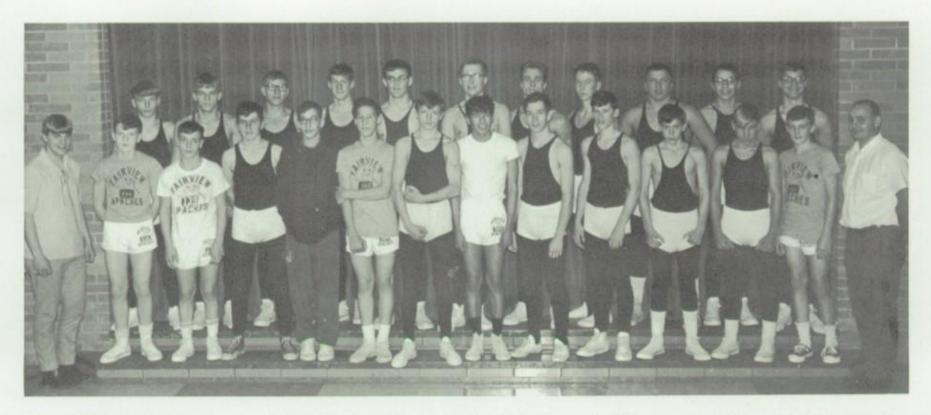

The Apache horsehiders were very slow in getting out of the starting gate this year, losing their first six games of the year before a no-hitter by senior Bob Brenner finally broke the long, dry spell. The boys never seemed to jell into a winning combination and twice, after winning two in a row, dropped back into their losing ways when it appeared that they were about to snap out of it. The final record showed a disappointing 6 wins and 14 losses during a year when the team included seven seniors and would normally be expected to have a winning record.

Although the coaches and players experienced a number of very frustrating evenings, there were also some extremely rewarding performances which always seemed to raise team spirit with a promise of better things to come. Joining Brenner in the no-hit pitching circle was John Morrison who held Blue Creek hitless in a league encounter. John faced the minimum 21 batters as he picked off the only two runners to reach base safely.

The tournament victory over Tinora was especially satisfying since it was achieved with a desperate last-inning rally which netted four runs and a 5--4 victory. League victories for the Apaches came over Ayersville, Blue Creek, Oakwood, and Tinora; losses were suffered at the hands of Holgate, Paulding and Hicksville by scores of 3--2, 3--2 and 1--0 respectively. Ayersville ousted Fairview from the tournament ranks by a 4--3 score.

Dick Ross led the regulars in hitting with a .385 batting average although Tom Roberts batted 1.000 with a single and two walks in three appearances at the plate. Ken Cline pitched the team to three victories to lead the hurlers, although Ron Renollet had the lowest earned run average.

Wrestling

Fairview High School's wrestling team finished its season with a fine record of eight victories and four defeats. This marks the first winning season that the Apache matmen have had in the school's history. Being able to come up with a fine winning season in its third full year leads us to have great expectations about the future of wrestling at Fairview.

The Apache matmen had victories over Tinora, Hilltop, Wauseon, Stryker, North Central (twice), and Ayersville (twice); defeats came from Edgerton,

Stryker, Hilltop, and Montpelier.

The loss of key seniors through graduation will hurt the squad next season. The leadership and hustle they displayed during the season will be hard to replace. They finished the season with a record of 37 victories and 20 defeats. This senior group was composed of T. Sheets, V. Degryse, B. Motter, D. Thomas, S. Seibert, M. Bok, and B. Higley.

We also had, this year, a fine group of underclassmen. This group of juniors and sophomores was led by D. Snow, who posted the best win-loss record on the squad. Dick finished the season with a fine 11--2--1 record. Included on the squad are: Juniors --T. Vogelsong, T. Roberts; Sophomores--M. Boger, F. Rohdy, J. Knisely, T. Schlosser, M. Ester, C. Smith, and C. Ball. This underclass group finished the season with a fine 22 win and 19 loss record.

The freshman class was well represented by B. Suffel, M. Bashor, D. Delgado, B. Heisler, D. Smith, P. Stuckey, M. Gorrell, P. Font, P. Baerlin, and D. Johnson.

Cross Country

The Fairview cross country team finished second in the Green Meadows League behind Paulding. Fairview won 17 1/2 league contests while dropping 3 1/2 (all to Paulding). Ron Renollet finished 4th in the league. Jim Hohenberger, Steve Stuckey, Brad

Motter, and Larry Morrison scored most of the team's points. In the Lima District tourney Fairview finished 7th in a field of 17. Ron Renollet led the team with a 29th place finish; Brad Motter finished 31st and Jim Hohenberger 34th.

Golf

Most of the members of the golf team also played baseball. This made it impossible to schedule many matches. The boys defeated Hicksville and lost to Tinora. Maury Sims, Dave Wild, Bob Brenner, Larry Taylor, and Ken Cline made up the team. Steve Sims and Greg Brenner, two freshmen, played along but not in competition since freshmen could not compete.

Track

The most successful track season in the history of the school was completed in 1968. A final record of 9--6--1 was posted by the thin-clads. The squad was led by Co-Captains Dave Wild and Larry Maugel.

The individual top point-getter was Roger Mack, who set a number of records this year. Roger topped off the season by competing in the Ohio State track meet at Columbus on May 25. Rog placed twelfth in the state in the high jump!

Gone are the seniors and we look to the underclassmen for the 1969 season. We can be nothing but optimistic. A fine group of underclassmen led by Mike Singer will make a fine showing of itself next year.

ROW 1: D. Delgado, K. Sailer, S. Sims, C. Smith, M. Boger, F. Rohdy, G. Brenner, M. Koch, M. Bashor, P. Stuckey, B. Peter, M. Rath, M. Reagle. ROW 2: F. Schubert, L. Ward, M. Ester, K. Winnie, B. Garver, D. Crites, D. English, K. Crites, L. Morrison, S. Roberts, B. Beverly, J. Knisley. ROW 3: B. Deitrick (Ass't Coach), B. Mosier, A. Hanna, B. Baden, C. Ball, D. Miller, D. Baker, M. Gorrell, T. Schlosser, T. Miller, D. Thomas, D. Doeden, T. Campbell (Coach).

Football

Fairview High School got its football program off the ground in 1967. The football players didn't get the advantage of early ball practice because of a ruling by the State Athletic Association.

The boys reported to practice the first day of school in September. Coach Campbell greeted about 40 boys in the two classes that were eligible for competition, these classes being the freshmen and sophomores.

The men of the gridiron had three scrimmages during the year; no score was kept during the three contests, as experience was the main goal.

The sophomores were not able to participate in the scrimmages, so this means that they were not able to gain the experience that is necessary for them to compete next year! Next year we are faced with fielding a Junior Varsity schedule with only limited experience. We expect to overcome this handicap and to be a really fine organization in the future.

Reddy Says: We Want People to "Get Ahead"

Today's classrooms furnish knowledge that will help in tomorrow's world. That's why Toledo Edison urges employees to improve their skills, abilities and mental growth through company-sponsored education and training programs such as:

EDUCATION ASSISTANCE PLANS ADVANCED MANAGEMENT COURSES FOREMANSHIP CLASSES

SPECIAL ON THE JOB TRAINING AND STUDY
But, we also encourage other people to continue
their education so they can qualify for increasingly
important jobs such as those at Toledo Edison.
